# THE VISION

SIMPLE YET POWERFUL :

*The whole body of Christ  
activating every believer  
to be a witness between  
Easter and Pentecost.*

# WHAT IT IS AND WHO IS INVOLVED

Easter to Pentecost is a global partnership of denominations, movements, and ministries, uniting the Church in a 50-day season of prayer and evangelism between Easter and Pentecost.

This initiative flows out of GO Movement, a worldwide effort to see every believer become a witness. GO Movement mobilizes believers worldwide to share the Gospel with at least one person on **GO Day**, held annually on **Pentecost Saturday**.

**Easter to Pentecost** builds on this momentum, expanding **that momentum into a global season of mission**. In these urgent times, we believe God is awakening **every Christian** to rise in **fervent prayer, bold witness, and joyful praise**.

The time between Easter and Pentecost is a sacred window in the Church calendar—a divine invitation to move together in faith and action.

**Easter** celebrates Jesus' death and resurrection. **Pentecost** celebrates the outpouring of the Holy Spirit, who empowers us to be His witnesses.

ACTS 1:8

"But you will receive power when the Holy Spirit comes on you; and you will be my witnesses".

We believe God empowered every believer to share the Gospel in their own way. Imagine the impact if all 2.5 billion Christians became witnesses for Christ.

ROMANS 10:14-15

"How then will they call on him in whom they have not believed? And how can they believe in him of whom they have never heard? And how can they hear without someone preaching? And how can they preach unless they are sent? As it is written, 'How beautiful are the feet of those who bring good news!'"

# WAVE OF PRAYER FOR PENTECOST

Prayer networks, denominations, and churches have come together to ignite a powerful movement of prayer, seeking a fresh outpouring of the Holy Spirit right before Pentecost. Just like the 120 believers in the upper room, who were filled with the Spirit and changed the world, millions prayed together, and were sent to take the Gospel to the streets.

IPC has ignited prayer movements around the globe:

## → PENTECOST BROADCAST

Thousands joined a global broadcast over Pentecost weekend, hosted by World Prays, IPC, and Empowered21 at the World Pentecostal Conference in Helsinki. Leaders such as Billy Wilson, Rick Warren, and Christine Caine led powerful times of united prayer.

## → 24/7 PRAYER

80 Houses of Prayer across 36 nations prayed non-stop for 10 days, from Ascension Day to Pentecost, asking the Lord of the Harvest to send out laborers into His fields.

## → GLOBAL DAY OF PRAYER

On Pentecost Sunday, 170 million believers around the world united in prayer. Each was invited to lift up five people by name—friends, family, or neighbors who don't yet know Jesus.

## → WORLDWIDE PARTICIPATION

Churches gathered in prayer in places like Saudi Arabia, Israel, Moscow, and Kyiv. In Australia, the National Day of Prayer network mobilized churches nationwide.

Large prayer gatherings took place in several major cities, including:

**LAGOS, NIGERIA**  
500,000 PEOPLE

**MEXICO CITY, MEXICO**  
50,000 PEOPLE

**CALI, COLOMBIA**

# TESTIMONIES FROM AROUND THE WORLD

## A HINDU

priest at the Ganges River was completely stunned after being healed in both knees. He described feeling a powerful yet peaceful presence that deeply moved him. The Gospel was shared with him, and he prayed to receive Jesus.

## IN SYDNEY

at a local mall, a man was approached and began sharing his remarkable story. He explained that he had once been clinically dead for four hours. During that time, he saw a great light but didn't understand what was happening to him. Deeply moved by the experience and still searching for answers, he was asked:

**“WHAT DO YOU THINK HAPPENS AFTER DEATH?”**

That simple question opened the door for a powerful conversation — and that day, he made the decision to receive Christ.

## IN MEXICO

a man once trapped in darkness knelt before a statue of Satan, believing he needed to shed his own blood for protection. After hearing about Jesus' sacrifice, he accepted Christ and surrendered his life to Him.

## IN MOSCOW

a believer met with a social media influencer on GO Day, spoke into their life, and that influencer—who now has over 80 million views—was personally impacted by the conversation.

**Church Collaboration:** “Our church was hesitant to participate in joint evangelism efforts, but the mobilization efforts brought us together with other churches. We're now working together to reach our community”.

**—MARIA**

**Reached through Personal Evangelism:** “I was addicted to alcohol for years, my family was falling apart, and I had no hope. Then, a group from a local church came to my neighborhood during GO Month. They shared about Jesus, and I felt something. I surrendered my life to Christ. I am free from addiction, My life is new!”

**—THOMAS**

## From the Streets to Home: Dani's Journey of Restoration:

“During this year's GO Day, our team encountered Dani, a young man living on the streets who was struggling with alcohol addiction and had completely lost contact with his family. He was lost, both physically and spiritually. As we spoke with him and shared the Gospel, he began to open up and you could literally see something change in him — it was as if hope came back to his eyes.

After praying together, Dani said he wanted to return home, so five of us offered to go with him. When we arrived at the neighborhood, he suddenly stopped, looked around, and realized he was home. A moment later, his family came running out the door and embraced him with tears of joy. It was a beautiful and moving reunion — a true reminder of God's power to restore and bring people back”.

**—DENILSON**

**Sharing for the first time:** “I was nervous about sharing my faith, but after the training, I felt empowered. I shared the Gospel with a friend, and they're now following Christ”.

**—MICHAEL**

Social actions—such as food and clothing distribution—opened hearts to the Gospel.

## HOPE IN THE TOMBS: IRENE'S NEW LIFE IN LIBERIA

In the cemeteries of Monrovia, Liberia—where many drug-addicted youth live among the dead and smoke crushed human bones—a GO Team, alongside former warlord-turned-evangelist Joshua Milton (General Butt Naked), brought the light of the Gospel. Among those they met was Irene, a 25-year-old pregnant prostitute, addicted to drugs and filled with pain. When asked if she wanted a new life, she said yes—and right there, she gave her life to Jesus and experienced His healing. The team took her for a warm meal, bought her new clothes, and brought her to a newly opened women's shelter and rehab center. Today, Irene is drug-free, following Jesus, and beginning again.

We're so excited to receive such powerful testimonies of people who's lives got transformed.

Ravi Shamar was born into a Hindu family. He was often sick as a child, and his family did not treat him well. He had no friends. On Pentecost Saturday, two people came to his village to share about Jesus Christ. At first, he ignored them, but when he heard how Jesus had healed them, he began to listen.

**RAVI ASKED THEM TO PRAY FOR HIM, BELIEVING THAT JESUS COULD HELP HIM.**

As they prayed, he felt like electricity went through his whole body, and strength returned to him. He knew that God had touched him. Sadhir gave his life to Jesus. Now he is happy, healthy, and strong. His family saw the change in him and also believed in Jesus.

Two believers came to Meena Das' village to share the story of Jesus. She was broken inside and had no one to support her. She felt very lonely and often cried. Many times, she even thought about ending her life.

When the brothers spoke about God's love and the sacrifice of Jesus for all people, her heart was touched. She wanted Jesus in her life because He gave everything to save her from darkness. She asked them how to receive Jesus, and they told her to simply talk to Him like talking to a friend, because He hears prayers and will save and guide her. Right away, Meena prayed to God. She felt peace and joy in her heart and a lightness in her spirit. She thanked God for making her His daughter.

# WORSHIP IN PUBLIC – THE WAY MAKER INITIATIVE

On June 7—Pentecost Saturday—a sacred sound rose from plazas, streets, and city squares around the world. From New York to Helsinki, Cairo to Sydney, thousands lifted a single anthem in unison: “Way Maker, Miracle Worker, Promise Keeper, Light in the Darkness...” It was the sound of the Way Maker Initiative, a global movement of worship, prayer, and public witness that’s reclaiming the public square for Christ. Far more than a concert, this initiative is a prophetic response to the Great Commission—calling worshipers out of the church building and into the streets with evangelistic fire.

Led by 32 worship teams across six continents and in partnership with Integrity Music, Worship Leader Magazine, and Psalmist Mission—worship flooded

iconic spaces like Times Square, the Sydney Opera House, Christ the Redeemer in Rio, and the Vatican. In Varanasi, India, a Hindu man gave his life to Christ. In a Manila prison, hundreds of inmates joined in worship.

In the United States, 30 cities across 20 states and U.S. territories registered to participate in the March for Jesus. Internationally, marches also took place in Canada, the Netherlands, South Africa, the Bahamas, Cameroon, Venezuela, France, Peru, Kenya, Bulgaria, and Indonesia.

“After over a year of preparation {...}, I am beginning to see the seeds of a missional worship movement taking root—one that could transform the current landscape of worship. But on June 7, 2025, we witnessed harpists playing over Gaza and worship happening outdoors in Taiwan, Switzerland, Norway, Finland, Turkey, South Africa, Australia, Korea, and across both the East and West Coasts of America, among other places.”  
—Jon Shabaglian, Psalmist Mission

The Go Day worship initiatives were truly inspiring, as communities around the globe came together to declare that Christ is our 'Way Maker, Miracle Worker, and Promise Keeper.'

The evangelistic efforts have resulted in significant **church growth**, with over **1,111,469 people** integrated into churches and 84,124 baptisms reported globally. Additionally, nearly **48,244 new churches** were planted as part of this movement.

We’re grateful for the ongoing reports—many baptisms are already happening as a result of believers sharing Christ on and before Pentecost Saturday.

## HARRINSON'S JOURNEY OF HOPE

In 2022, Harrison was living in addiction among graves in a Liberian cemetery. That all changed when a GO Movement team shared the message of Jesus with him. He chose a new path, entered rehab, and began a life of transformation. Today, Harrison is healthy, employed, and full of purpose. More than restored, he’s now reaching others with the same hope that changed his life—a living example of God’s grace.

# WHAT A HERO: HOW ONE QUIET LIFE REACHED

Meet Hudson – a name you might not know, but a story you won't forget.

Hudson is not the type of person who enjoys being in the spotlight. In fact, he's highly introverted. For most of his life, talking to people – especially about faith – felt far outside his comfort zone. But something stirred in his heart. When Hudson realized just how many people didn't know Jesus, he made a bold decision: he couldn't stay silent anymore.

What happened next is nothing short of incredible.

Over the past few years, this quiet, unassuming man has personally shared the Gospel with 10,000 people – and 5,900 of them made the life-changing decision to follow Jesus.

# WHAT'S NEXT?

The vision is clear and compelling:

*Every believer is a witness*

At **Christmas**, we celebrate Jesus' coming.

At **Easter**, His death and resurrection.

**Pentecost**, reminds us that He sends us.

While we gather to honor His birth and sacrifice, what if Pentecost became just as central in our hearts and communities? What if every believer embraced its true meaning – being sent by the Holy Spirit?

It's time to reactivate Pentecost.

As it approaches, we invite every church, denomination, and movement to join in this renewal. Over 2,000 years ago, the Church was born in prayer and empowered by the Holy Spirit to share the Good News. Today, that same Spirit is calling us again – for the same purpose. Let's respond. Let's be the witnesses we're called to be.
